OTTAWA RIVERFRONT with a view.

This owner didn't cheap out when entirely renovating this solid 1890 circa Home. All was redone to meet their high standards that was meant to be the last Home, the perfect home. A chef's kitchen awaits you with a view of the river, the breakfast nook facing the river, the cozy fireplace in the living room and the perfect size dining to receive family and friends. A stunning staircase sits in the perfect blended decor coming in.

Waking up in your over sized master bedroom with its balcony overlooking the Ottawa river will be a delight at each sunrise and sunset. 2 extra bedrooms, a den with propane fireplace and the spa-like main bath complete this level. The car enthusiast that he is had to keep his prize winning trophy's close by so he built them a 6 car garage plus a Motorhome size carport. On top is a huge loft with a electric winch to bring up your sleds or bikes. Your visitors will enjoy the view in their spare room overlooking the river also. (id:35055)
